SIR

Water supply schere - Kolar Town

With reference to your letter No L 4129, dated 13th December 1932 forwarding copy of letter No S E 492, dated 1st idem, from the Sanitary Engineer on the above subject, I have the honor to state that the Municipal Council have resolved to push through the scheme but I am not yet satisfied with the capacity of the Council to finance the scheme in regard to (initial and recurring) expenditure I am awaiting the sanction of Government to certain new taxes proposed by the Council and to revision of house taxby at and also the effect on the Council's finances in respect of its Electric lighting scheme I shall submit my report to Government as soon as I can confidently recommend sanction to the scheme

I have the horor to be,
Sir,
Your most obedient servant,

Treasury Asst Commissioner,
For Deputy Commissioner,
Kolar District

From

The Director of Health in Mysore
No C 796—6 dated 5 Feby 1933
forwards for sanction of Govt a
Scheme estimated to cost Rs 1,02,449
for supply of water to Malur town —
The proposals for financing the project

17 Malur is a town Municipal
Council.

18 The budget estimate thereof are
sanctioned by the D C Kolar District
for the year 1932—33 - vide Hqrs W
the closing balance according to it is
Rs 5898/- Considering the fact that
the normal income is Rs 9625/, the
closing balance should be ¼ of Rs 9625/ or
Rs 2406/- as per standing orders The closing
balance as per Estimates for 32—33 is
more than the above amount by about Rs 3492

19 The D C has reported that the
Municipal Council have since improved the
finances by the revision of house tax and
levy of new fees No definite information
is forthcoming as to how far these
measures have improved the
resources of the M C But what income
is expected at present seems to be

NOTE—Contn Sheet

Madras water supply

File No 244 of 1932-33 General and Revenue Secretariat

bring in Revenue sufficient to cover the instalments of loan if sanctioned and the recurring maintenance charges amounting to Rs 450/- p.a. The total amount that would be thus required if the loan of Rs 23700/- for which sanction is sought would be Rs 850/- for payment of instalment + 450/- maintenance charges. The Municipality have taken into account the maintenance charges of Rs 450/- p.a in their resolution

2. The scheme is estimated to cost Rs 10,440/- The Director has recommended sanction to the resolution of the 1st Cl and I C's opinion that the establishment & Work Plant charges of Rs 1300/- may be waived if this is agreed to, the balance of the estimate to be provided for would be Rs 9140/- The Municipal Council are agreeable to bear half of this amount or Rs 4570/- out of this, they are prepared to pay Rs 2200/- immediately & they pray that the balance of the amount Rs Rs 2370 (~~Two thousand three hundred and seventy rupees~~) which will cover the cost of the cast iron pipes may be treated as a loan repayable in three years at 5 percent interest p.a according to the Estimate the Cast iron pipes cost Rs 2500/- It is for consideration if the supply from works would suffice the pipes as loan repayable in three years

3. The Sanitary Engr. Rockefeller Foundation has made an allotment of Rs 4570/- for this scheme

out of the provision of Rs 40000/- made under 36- grants- for Public Improvements - 3 Improvements- to Iron Steam Numerals as there is no money available at present for grant for improvement of water supply to [illegible]

2) The sanctioning of the scheme depends upon the settlement of the question of the grant of a loan of Rs 2370/- [illegible] by Govt the Deputy Commissioner will have to be consulted if he requires Iron works would be willing to supply the Iron Pipes & recover the cost in three annual instalments from the municipality. So far as the Budget estimates of the Municipality for 1932-33 go, there would be a margin of Rs 2027/- over the normal expenditure and the municipality could perhaps afford to pay the loan if sanctioned

A)

Govt 8/2/33

(Genl Secy) MBK 8/2/33

1. Has the D'C's grant been withdrawn?

2. A weekly order

Rs 9/2

7) With reference to query (1) above, it is submitted that the grant has not yet been withdrawn. The report called for from the D-C Chitaldrug is awaited.

2) The people will, if approved be sent to the Development Branch as ordered at (2) above.

To

Dr J V Kaive, M , Ch B , D P H ,
Director of Health in Mysore, Bangalore

Sir,

21 JAN 1933
No 2-3-3 Sub-Sec :- ATTN OF ... - ...

In continuation of my No A 5.C 1109/32-33 dated 17th December 1932, I have the honor to send enclosed a report and the resolution of the Municipal Council of Kolar Town in respect of the project for Rs 10,440/- sent by the Executive Sanitary Engineer

2 The Municipal Council has since improved its finances by revision of house tax and some of the proposals for the levy of new fees have been approved by the Government The Council has also completed the preliminaries for the levy of a lighting tax and the final resolution is expected by me in a day or two In these circumstances I recommend that the present proposal of the Municipal Council may kindly be approved as follows -

(a) The Government may kindly be moved to waive the tools and plant and establishment charges on the estimate

(b) A grant of half the balance may kindly be sanctioned to the Municipality from the Town Water Supply Improvement grant as the water supply question to this town is very old one which has baffled solution so far and it is necessary for the further development of this important centre that a proper water supply system should be ~~established~~ installed for

(c) The Municipal Council will pay the remaining half of the net cost of the scheme But as it is not able to pay the entire amount at once, its request for the cost of the cast iron pipes bein treated as an advance may kindly be sanctioned by the Government, the amount being

paid up by the Municipal Council in three years commencing from 1933-34 with five per cent interest.

(d) The ~~remaining sum due~~ will be paid by the Municipal Council from its present balance of Rs 2,200/- ready on hand and the amount that will be collected in the next five months which is the collection season for house and other assessed taxes

3 I request the favour of your kindly recommending the present proposals for the sanction of Government and authorising the work being taken urgently as the summer is approaching

4 As there is electric power already in the town, the people are anxious for the installation of water supply pumps as quickly as possible The Electric Department also will indirectly derive income by the installation of the electric pump at an early date

5 The plan, estimate and report together with the Municipal President's letter and the resolution are sent enclosed

I have the honor to be,
Sir,
Your most obedient servant,

Secretary to Govt General Department
Bangalore

SIR

In forwarding herewith copies of letters Nos A & C 1109/32-33 dated 26th January 1933 and No 614 dated 30th January 1933 with 3 enclosures from the Deputy Commissioner Kolar and the Sanitary Engineer respectively in regard to the proposals for public water supply to Kolar town I have the honour to state that the present supply to the town is highly unsatisfactory both as regards quantity and quality With a view to obviate this difficulty particularly in view of the possibility of Guinea worm breaking out at any moment infection having prevailed recently in a couple of villages close by a scheme costing Rs 10 000/- has been prepared by the executive Sanitary Engineer It is estimated cost a sum of Rs 1 500/- has been provided towards tools and Plant charges Owing to the poor finances of the municipality it is urged that it is may be waived subject to Government agreeing to the remaining costs Rs 8 500/- Of this amount it is proposed to give one half as contribution from Government from out of the Grant for Public Improvements & Improvements to towns and minor municipalities The town municipality is unable to bear its half of the cost but on the recent it is prepared to meet out of its current balance only to the extent of Rs 2 200/- The municipality therefore must get the balance of Rs 2 370/- of its share which practically over

[redacted]s the cost of [redacted] Iron pipes, be granted as a loan from Government bearing repayable in 3 years the period beginning from 1953-54 with no per cent interest If this loan should cannot be found by re-appropriation from any other source it will be possible to find it from 50 Grants for Public Improvements to Improvements to towns and minor municipalities out of the amount withdrawn from the contribution to the Davangere Municipality

I request you to be so good as to move the Government to accord early sanction to the scheme and to the following proposals in connection with it

1 To waive the tools and Plant charges to the extent of Rs 1 300/-

2 To make a contribution of Rs 4 570/- from 50 Grants for Public Improvements 3 Improvements to Towns and minor Municipalities

3 To grant a loan of Rs 2 370/- repayable in three years with no per cent interest

I have the honour to be
Sir
Your most obedient servant

Director of Health

D O Letter o 3 [illegible] 6[illegible] dated January 30, 1933 fro the Sanitary Engineer, Bangalore, to the Director of Health in Mysore, Bangalore

---

Malur Water Supply

With reference to your o C 796-4 dated 28th January 1933 with attached file on the Malur Water Supply, I wish to advise that this scheme is of most importance and should be put forward without delay The water supply scheme was originally proposed as a means of preventing the spread of Guinea worm in this district and as Malur Town is an important centre of the District and the present water sup ly is ideal for the propagation of Guine worm infections, I am sure th t Government will lend every aid to improve the present situation There is at present a balance of Rs 9,740/- held in re reserve from the 30 Grants for Public Improvements, 3 Improvements to Towns and inor municipalities" fro which Government share of Rs 4,570/- may be met

It would be necessary to address overnment to waive the 1 Tools and Pl nt C arges amounting to Rs 1,300/- and also to gr nt a loan covering the cost of cast iron pipes amounting to Rs 3, 70/-

The file is returned herewith

SIR

Subject - Malur Water Supply

In continuation of my letter No C 796-6 dated 1/3rd February 1933, I have the honour to forward herewith, for favour of information of Government, copy of letter No A-5 C 1109/32-33 dated 29th March 1933 from the Deputy Commissioner, Kolar District, with its enclosure, a resolution of the Malur Town Municipal Council, in original From a perusal of the resolution and the Deputy Commissioner's letter, it will be observed that the Municipality is agreeable to find the full quota of its contribution amounting to Rs 4,570/-

I trust that by now the Deputy Commissioner has replied your letter No L 6185/M1 244-32-2 dated 23/24th March 1933 in regard to the maintenance charges

During my recent visit to Malur, I ascertained from the President of the Municipality that they could conveniently find the necessary annual maintenance charges

In the above circumstances, I request that you will be so good as to move the Government to convey their early sanction to the scheme of water supply to the town .It is expected that

the

the work will be completed within about six weeks from the date of starting

I have the honour to be,
Sir,
Your most obedient servant,

Director of Health

Letter No A-5 C 1109/32-33 dated 29th March 1933 from the Deputy Commissioner, Kolar District, to the Director of Health in Mysore, Bangalore

WATER SUPPLY TO MALUR TOWN

In continuation of my letter No A 5 C 1109/32-33 dated 23rd instant, I have the honour to enclose herewith a resolution of the Malur Town Municipal Council agreeing to pay their full share of Rs 4,570/- and to deposit the entire amount before the end of June 1933 I request you to kindly move the Government for according sanction to this arrangement and for taking up the work early.

SIR

Water-supply - Kolar Town

Adverting to your letter No. S[illegible]/[illegible]-3 dated [illegible]- requesting information whether the Kolar Municipal Council have agreed to meet the additional recurring charges of Rs. 30/- per annum in respect of the scheme, I have the honour to forward herewith a copy of the resolution of the Council agreeing to bear the charges and to state that the President in his letter dated [illegible]-1- reports that the financial position admits of this extra recurring item of expenditure as they expect to realise about Rs. 1000/- under Toll, Octroi, revision of Taxes and lighting tax

I therefore request you to be so good as to obtain sanction of Government to the proposal of the council to levy the said tax

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District

the 193

Date of issue 3/5/ — 1933

Letter Correspondence ending with Letter No C 796-6 dated 6th April 1933 from the Director of Health submitting for issue a scheme estimated to cost Rs 10,46,000/- for sanitary works in the Mahalingapura Taluk with proposals for financing the project

2 Letter No AJC 110/32-33 dated the 5th April 1933 from the Secretary Commerce & Industries

T

that the Malur Municipal
Council are agreeable
to bear the additional annual maintenance
charges, and that the financial
position of the municipality admits of this extra
recurring item of expenditure
and requesting sanction to
the Scheme

order No'— L 7064-8 dt 3/5/33

The Director of Health
reports that the present
supply of water to the Malur
Town is highly unsatisfactory,
both as regards quantity
and quality, and that, with
a view to obviate this
difficulty, particularly in
view of the possibility of
Guinea worm disease breaking
out at the place at any moment, the Executive
Sanitary Engineer has prepared
a Scheme of water supply Copied by
costing Rs' 10,440/— He Examined by
recommends sanction to the
Scheme and the estimate

List of Enclosure

R S App F G 3

GENERAL AND REVENUE SECRETARIAT

(Continuation sheet draft form)

and to the following proposals for financing the scheme:-

(a) In view of the slender resources of the municipal the Tools & Plant & establishment charges amounting to Rs 1300/- may be waived

(b) An allowance of Rs 4570/- may be given from the 30-grants for the improvements -

3 Improvements to Towns & Minor Municipalities -

(c) The Kalutara Municipal Council will pay the balance of Rs 4570/- before the end of June 1933 ..

2 After a careful Consideration of the above proposals Govt are pleased to accord sanction to the estimate amounting to Rs 10,440/- and to direct that the cost

WD 0255—GPB—10 000 – 23 8 32

be met as noted below:—

(a) The establishment, tools & plant charges amounting to Rs 1300/- will be waived, as a special case, and the amount will not be treated as a contribution from Govt.

(b) As under standing orders the Govt grant for a water supply scheme is to be generally limited to one half of the total estimate, the sum noted at (a) above together with the grant will be limited to Rs 5220/- the amount of Rs 3920/- only as per Govt Memo No 1 dated 7/1/33 being the balance of the reserve of Rs 8700/- noted in the margin of Mk 116-32-38 dated 31/1/33

(c) A further contribution of Rs 3920 will be allotted for the work so as to make up one half of the total estimate of the work, viz Rs 5220, which is the maximum Govt grant admissible, and the said sum will be met

(d) The Municipal Council will immediately place at the disposal of the Executive Engineer, B&R the sum of Rs 2500/- available to their credit in the B&R account and the balance of Rs 2700/- should be paid before the end of June 1933

(e) The Collector is requested to see that the necessary provision is made in the budget of the Malur Municipality with effect from 1933-34 for the annual maintenance charges
